TAKING GUESSWORK OUT OF YOUR HEALTH AND WELLNESS CHOICES

Decisions, decisions. From the minute we wake up in the morning until we go to sleep at night, we're faced with endless choices. And while having the freedom to make up our own minds is empowering — it's not always easy, like choosing between Oxyfresh's 60-plus top-notch products. Every product is formulated to the strictest standards of excellence but how do we choose which ones best suit our desires? The good news is, we've helped take the guesswork out of the decision-making process by offering convenient, prepackaged kits with products that are guaranteed to enhance your health ... and the well-being of everyone in your family.

3 kits that will promote a healthier lifestyle for you and your pets

1. 30-Day Weight Loss Package — Look great, feel great!

It's New Year's resolution time and our 30-day weight loss starter kit is designed to get you started on the right track to achieving your fitness goals in 2012. This kit is loaded with all-natural and completely safe products proven to boost energy, burn fat and shrink your appetite with the power of yerba maté. It also includes a liquid supplement that turns plain water into a refreshing vitamin-enriched beverage, and an internal cleanser that will enhance your digestive system. To fill the missing nutritional pieces in your diet that can occur when you cut back on calories, you also get a premium multi-vitamin.

2. Home Cleaning Kit — Think green!

Keep cleaning simple with three environmentally friendly cleansers that can replace a cartful of commercial cleaners, and save you money! You get super-concentrated all-purpose detergent, nourishing body wash and a powerful

all-purpose deodorizer. These versatile products safely neutralize odor-causing compounds on virtually any surface with our exclusive ingredient Oxygene®. While store-bought household cleaners contain ingredients that may be toxic, corrosive and flammable, we keep it pure, safe and simple with products that are 100 percent green. Also includes two sprayer bottles and two trigger sprayers.

3. Premium Dental Kits — Confidence starts here!

Our custom-designed dental kits are prepackaged in a convenient, high-quality gift bag and include everything you need for long-lasting fresh breath and a confident smile. You get professional-grade products that are formulated with Oxygene® to deliver a knockout punch to bad breath while keeping your teeth their whitest. With three full-sized kits available, you can choose the one that best suits your tastes. The common thread? Each kit contains alcohol free, non-staining mouthrinse, low abrasion toothpaste with the natural sweetener xylitol to fight cavities, and soothing dental gel. You also get our signature breath mints with xylitol and a tongue cleaner.

4. Mini Pet Dental Kit — Protect your pet!

Healthy pets have healthy smiles and this kit provides a simple, affordable way to promote pet dental health. The products in this kit are formulated with Oxygene® to freshen breath and fight plaque and tartar buildup that can lead to dental disease. You probably didn't know that an alarming 80 percent of dogs and 70 percent of cats show signs of periodontal disease by age three. Called the "Silent Killer of Pets," this condition can cause bacteria to enter the bloodstream and infect the heart, liver and kidneys — shortening your pet's life by up to five years! Protect your furry friend with the mini pet dental kit.

CLOSING THOUGHTS

We have taken great care in putting together our pre-packaged kits to offer the best combination of health and wellness products you'll find anywhere. Whether you will be using them in your home, place of business or when you're on the road, we have kept several issues in mind. First is premium quality. We combine the best ingredients nature has to offer with safe science to create the highest quality formulas you'll find anywhere. Second is effectiveness. Our products have a proven 25-year track record for delivering extraordinary results. And third is convenience. The products you love neatly contained in smart and attractive kits.
